

## Alice in Scratchland movie challenge

Starter project: <http://scratch.mit.edu/projects/21021379/#editor>

Here are some statements you might work into your movie:

- That wizard sure looks mean!
- That donut was good, but now I feel strange, like I'm growing!
- If only I had a magic hat and a wand of my own...
- I was a prince but he cast an evil spell and turned me into a bug!
- Oh, Mr. Crab, I do wish you would stop asking so many riddles!
- If only there was some way to get to the top of that building...
- Don't paint on that wall! The wizard hates all forms of art!
